About Me...

I am a twenty four year old, **Graphic Designer**, with **over four years work experience** primarily in web and graphic design. I currently work with Island gate Ltd, which is an i-Gaming company where I am responsible for designing marketing material such as e-mail newsletters, printed material, flash banners and custom HTML landing pages for affiliates.

The following (<http://tiny.cc/gmbtlw>) showcases an example where I designed and developed a custom WordPress theme from scratch. Lately, I have also taken a deep interest in 3d design, using both Blender and Maya. You can find a small selection of my work on my personal website (www.stefaniscreative.com).

I can speak English, Italian and Maltese fluently. In 2007, I achieved the International Advanced Diploma in Computer Studies (NCC Educ. Limited/London Metropolitan University).

Other Qualities...

Fast and able to work under pressure, able to stick to the creative brief and other guidelines, friendly, inquisitive, hardworking, eager and passionate

Hobbies...

All facets of design, art, photography, computers, technology, music, movies, gaming and traveling.

Thanks for taking the time to look over my curriculum vitae. If you haven't already done so then please visit my portfolio at:
